4. previous appearances before Mrs. Loue Taylor Subin has shown. The same reasons and Motives of an entire Corrupt judicial process that deprived me of my Constitutional Rights, a Corrupt judicial process, that deprives me of the due process of law, of the equal protection of the laws, to have my day in trial, to submit my evidence before a jury.

5. The defendants used all the people who have a first name and last name and that appears in the numbered exhibits to deny due process of law and cover up Murders that occurred in Puerto Rico under the Modality of organized crime, these Murders to which we refer do not prescribe and came from the area of human resources and labor relations of the Puerto Rico Academic and Senior authority (Prasa) attached to the Corruption of the judicial branch of Puerto Rico, individuals with names and last names, added to the Corruption of individuals with name and last name within the department of Justice of Puerto Rico and United States.

6. Mrs. Laura Taylor submit the Motion at hand is already before the first circuit court of appeals, the Court has already participated in part, and now the Court go against his own actions. See 17-cv-2286 (Adc) See 17-cv-2340 (Wgy) it is certainly a shame for the Judiciary and for the President who elected them reminding him of the first appearance at the Court of appeal for the first circuit when submitting that because those cases had arrived there under a stay, they arrived there as part of organized crime, assisted and corruption federal or individuals, seeking to deprive me of my constitutional rights, the due process of law, equal protection of the laws, and Murder, Cover up, Murders that do not proscribe.

7. Mrs. Laura Taylor submit when you were asked to lift your stay, can you produce the name of that person?

8. Mrs. Laura Taylor submit in accordance with the paragraphs of this document can you produce the names of the people who are requesting get out of the case docket under 17-cv-2340 first circuit court of appeals, they are the same people who carried out the

Murders and who today under Title III promises seek to close everything related to those Murders that do not prescribe.

9. Mrs. Laura Taylor sworn how many people have been imprisoned for theft of money under any Modality that led Puerto Rico to the bankruptcy largest in the United States? Then how do you ask a homeless person who has nothing to eat to pay an appeal and deny him the right that his actions and decisions Nations as a judge have to be paid, when you know that there are two cases already in the first Circuit Court of appeals, waiting for me to submit brief and appendix, who arrived there under organized crime and judicial Corruption.

for all of which
